- Original photography by Klaus Rossler
- Prints are signed and numbered, limited to 100
- A special edition is limited to 25
- The entire process of editing, printing, matting and framing is done in single application in my studio
- All materials used are of archival quality to guarantee colour-fastness for generations
- Total sizes are approximate, due to variations in frame styles
- The bottom part of the mat is slightly wider / bottom-weighted - pleasing the eye esthetically
- Sizes can be customized to specification
- 'Print Only' and 'Matted' prints come in crystal clear, acid free sleeves, for protection and presentation
- Frame and mat styles offered here are my choice for exhibitions and shows, neutral and understated in shape and colour - to suit and accomplish, but not overpower the image, compatible with any interior. However, the choice of 'matted' and 'print-only' leaves you with the option of using the services of your local framer.
- Instead of online-ordering, I prefer discussing details with you personally
