Most Popular!

This one and half hour session gives you a little bit of everything. Plan for a quick paced, fun filled session at our studio. We'll photograph you in four outfits, but it's nice to have one extra to choose from. Feel free to bring your car, a pet or props from your favorite activity.

This is our most popular session...you get great variety and great value.

**2 Hour
session**

2 hours
5 outfits
Indoor/Outdoor
\$200

This session can be split into two appointments!

This two hour session allows you to create a personalized experience. We can stay at the studio or jump into our SUV and head out - go around town for a more urban feel, or move to your place.

The 2 hour session is the only one that allows you to split your session into two appointments (additional fee applies) for two different looks or locations (travel fees apply).

You need this session to be photographed with any special props or activities in your life.

Allow yourself to dream, get the 2 hour, afterall it is all about you!
