A complete Wedding presentation for the Bride/Groom include from (4) to (8) hours of continuous coverage. To guarantee the coverage you desire for your wedding please select the appropriate package. Starting time is determined by size of Wedding party and church policy and confirmed at booking. We require full Wedding party including parents completely dressed and ready for photographs at appointed time.

Studio Photographer cannot be responsible for photography time lost due to tardiness of Wedding party, family, florist, hair/make-up, etc., but will make every effort to insure your Wedding day photos are covered.
