Company Summer Dance Intensive & Auditions

Planet Dance offers summer intensives for all ages/levels. Intensives are required and designed to train our team dancers throughout the summer so they do not lose their technique they've gained throughout the year. Our summer sessions tend to be fun, yet challenging, making way for tremendous gain in progress. This is also a great time for student level assessment for new dancers and for our current PD members.

Summer Attendance Policy for Company Dancers

We value the importance of family and travel time. Dancers are permitted to miss 2 out of the 5 intensive classes offered throughout the summer session. Special circumstances can be addressed.

Summer Registration \$225 -includes Fall registration, Company Intensive, Auditions, and (if applicable), Specialty try-outs. * Register before June 1, and save \$25.

Keep this bottom portion for your records
