Summer Dance Classes

Planet Dance offers summer dance classes for all ages/levels. Classes are designed to train our dancers throughout the summer so they can improve technique and learn new skills. Our summer sessions tend to be fun, yet challenging, making way for tremendous progress. This is also a great time for student level assessment for new dancers and for our current PD members.

Please CIRCLE which sessions you are attending with appropriate payment. Sorry, no refunds for absences.

Register by June 1, pay \$75 per session. Discounts for family or multiple sessions.

Keep this bottom portion for your records
