

STAINED GLASS SNOWFLAKES

- 1.** Download from www.moyalara.com.
- 2.** Color all shapes and areas, be creative with patterns!
- 3.** Cut out the large square along the dotted lines.
- 4.** Fold the square on the diagonal to create a triangle.
- 5.** Fold your triangle in half. Fold in half again.
- 6.** Cut out ANY shape or pattern from the folded triangle, just as you would with any paper snowflake. This is NOT a cutting template, cut any shape you like!
- 7.** Unfold to reveal your colorful snowflake.
- 8.** Hang multiple snowflakes with ribbon, enjoy!
