## Top 5 Reasons to Choose Supreme Images Photography

**1. Unique Images.** Supreme Images Photography wants to create a unique experience for every senior—unlike other studios that use the same pose and the same location for everyone. We strive to create something new and exciting for every high school senior. What can we do to make your photos different!?

**2. Images that represent YOU.** At Supreme Images Photography, we take the time to get to know every client. We showcase your personality, team sport, or even your hobbies and interests with a variety of looks:

- Custom Montages/Illustrations
- On location of your choice (within 15 miles of our studio is included )
- High fashion studio looks
- Elegant indoor/outdoor portraits
- Gritty, urban scenes with dramatic lighting
- Not your average cookie-cutter photos!

**3. Product.** Supreme Images Photography uses the finest photo products to ensure your satisfaction. We never recommend printing your senior photos at just “some photo place” because the difference in quality is clear. All 8x10 prints and larger are dry-mounted and textured. Our prints are guaranteed to last!

**4. Professional Photography.** The photographers at Supreme Images Photography are experts at their craft. Nick is an award-winning photographer and Michael is a Certified Professional Photographer (one of 50 in Minnesota).

**5. Having Fun.** Taking photos shouldn't be boring. Let's have fun and create some AMAZING images.

## Clothing for Girls

### Formal

**Solid colors work best. Avoid “busy” patterns.** Choose a neckline that compliments the shape of your face. Vertical stripes, long sleeves, and darker colors tend to be more slimming.

### Casual

Choose from your favorite sports outfit, sundress, sweaters/hoodies, shorts or jeans outfit. Pick the colors you really like. Chances are, they're colors you look great in. Textures are good too.

### Shoes

A nice pair of high heels for any full length formal shots, a pair of sneakers/tennis shoes for your casual shots, fashionable boots, and even sandals work. Make sure to have a comfortable pair of walking shoes as we will be walking to several locations.

### Accessories

Accessories can make or break an outfit. Bring an assortment of jewelry, hats, belts, etc to choose from. Do not wear anything *too* distracting.

## Clothing for Guys

### Formal

A sport coat/suit jacket, dress shirt, and a tie always works. An alternative is a dress shirt and a sweater or a sport coat and a turtle neck. White dress shirts look the best under the jacket. If you want full length shots, consider a full suit.

### Casual

We want you to feel comfortable. Jeans, casual or sports wear, and your letter jacket are all **great. Don't forget to bring your sports and/or other uniforms.**

### Shoes

We recommend at least a pair of clean tennis shoes/sneakers and a pair of black or brown leather shoes (non athletic). Dress shoe color should match the belt color.

### Accessories

It is a good idea to have matching belts, watches, jewelry, hats, sunglasses, or any other clothing article that represents you.

### *Keep it simple.*

Your Senior Portraits should reflect who you are and your personality. Bring a variety of outfits that make you feel good about yourself and reflect who you are. Senior portraits traditionally have more emphasis on your face. Try not to take the focus away from that. Bring a variety of color choices, not just one. Change up the style. Bring some dressy, some semi-dressy, and some casual outfits that express who you are. If you have fair skin, avoid too many light colors. We will discuss all of these options of course during your consultation.

Remember: plan your outfits from head to toe. We will take close-up, full length, and 3/4 length photos.
