

CENTER FOR VISUAL ARTISTS

SUMMER ART CAMP

WELCOME TO SUMMER ART CAMP

The Center for Visual Artists (CVA) hosts the largest visual art camp in the area for young artists, ages 3 - 18. Our week-long themed art camps focus on the exploration of art materials through hands-on guided learning, interactive play, and skill development. We think camp should be an educational experience, but most importantly FUN too!

The CVA is a nonprofit organization that supports emerging artists of all ages through educational programs, exhibition opportunities, and community outreach.
