

Innovative Education Grants

2016-2017

The Maroon and Gray Foundation plans to award Innovative Education Grants to teachers/grade levels/campuses at Cooper ISD since we feel that they were such a huge success last year.

The awards will be determined by the board and awarded by the end of October. Teachers/Administrators may apply for grants in the following categories:

Classroom - Up to \$350.00 - Used for specific and innovative instructional programs.

Grade Level - Up to \$750.00 - Used to work collaboratively to address the specific and innovative needs of a grade level.

Campus - Up to \$1000.00 - Used to address the needs and concerns unique to that campus. The M&G foundation recognizes three different campuses at CISD.
