THE *Wedding Experience*

MY PHILOSOPHY | I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When my couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! Your wedding day is an experience from beginning to end and your photography is a huge part of that experience... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is to not only capture memories for my clients, it is to create an experience that they will never forget.

THE PROCESS | One way I ensure that my brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with my couples. I try my best to make sure that all of my couples are the PERFECT fit before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them! After booking, I love getting to know my clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends and that creates a safe and relaxed environment for photography! Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about my WEDDING COLLECTION!

WHY INVEST?

Your first decision as an engaged couple is to set priorities for your wedding planning. You have to decide what you value most. Is it the dress? The food? The Venue? As a bride AND photographer, I believe that couples should make their photography a top priority. After the big day is over, you will leave your reception with a spouse & your pictures... that's it! All of that planning and preparation is over in a matter of hours! So if you're choosing to invest in high quality photography, those images deserve a classy, elegant home after the wedding. I offer high end, Legacy Albums for my wedding clients. The images are printed straight onto the pages and the covers are wrapped with a classic, quality cover. This is the perfect ending to your Wedding Day and it's a keepsake that you will be showing your children and grandchildren one day!

Thank You

I'm so glad you contacted me!
Enjoy this season of engagement and get
excited about your BIG DAY because it's
going to be Fabulous!
Plan and prepare but always remember that at
the end of the day, you are marrying the love
of your life and that is all that really matters.
Congratulations on your engagement and I look
forward to hearing from you!

Warmly,
Michelle
